Live the Liturgy

Have you ever felt a compelling urge to respond to a situation and then found yourself questioning whether you should do so? Fear often takes hold of us, and we find ourselves making excuses for why it is better to just mind our own business. There is a voice within each of us that is saying, "Follow me". What does this prompting mean? The purpose of discipleship is not to secure our own station in life and enhance our comfort zone.

Discipleship is about taking risks and venturing forth into the unknown, tending to the needs of others and being prophetic voices of change. We will not drink deeply of life until we listen to the voice of God within. When God asks, "Whom shall I send?", will you reply, "Here I am? Send me!"?

February 11 is World Day of the Sick, an observation started by Saint John Paul II as a way for believers to offer prayers for those suffering from illnesses. The day coincides with the commemoration of Our Lady of Lourdes.

People around the world take the time to pray for the sick and for those who work very hard to alleviate the sufferings of the sick on this day. Faith organisations mark this day especially to provide the sick with medicines, food, and spiritual guidance.

Fifth Sunday in Ordinary Time

Do you have enough? Many of us come from a nation of material abundance. We have all the things we could possibly need not only to survive, but to thrive - food, shelter, mental ability, income, access to medical care. Most people in human history lived with far less than we. So why are we so dissatisfied? Some Christians can be drawn to the "prosperity Gospel." This is the idea that following God will bring us material abundance in this life.

That surely seems to be the story of today's Gospel! Peter and his friends chose - with some faith - to put out their nets a final time at Jesus' command. "They caught a great number of fish and their nets were tearing. They signaled to their partners in the other boat to come to help them. They came and filled both boats so that they were in danger of sinking." What gift! What abundance! What prosperity! Peter and his friends caught more fish than they'd ever seen. Yet what is their response to this material abundance, this gift from God? They leave it behind. "When they brought their boats to the shore, they left everything and followed Him."

Praying for God to meet our physical, material needs is not a bad thing! Jesus Himself includes "give us this day our daily bread" in the prayer He teaches His disciples. The question is, how do we respond when our prayers are answered? Do we thank God briefly, or perhaps ignore Him completely and move on with our lives? Or do we respond as Peter did? "God ? You showed up in an area that has no bearing on my eternal salvation. You gave me a gift I didn't even really need. You love me! You really do love me." Is our gratitude only surface level? Or do we allow ourselves, like Peter did, to respond with wonder, awe, and deeper discipleship?

Why Do We Do That?**Catholic Traditions Explained**

Question: What kind of religious practices should we begin, once we marry, to help us practice our faith each day?

Answer: Your spiritual life as a couple is important. The sacrament of Marriage is a gift and a grace, but living it well isn't always easy! It requires intentionality and perseverance. Growing your spiritual life as a couple also requires a plan. If you're not already praying individually, that's a good place to start. If your schedules are similar, take some quiet time at the same time to help hold each other accountable. Praying together is also important! You could start by looking at the religious practices of your family and of families around you that you respect. Think about what you want your future children to experience. Making faith a commitment now will mean it is engrained habit when you grow your family. Ultimately, these faith practices should help us grow in our love for God and for one another.

Welcome!

We warmly welcome the children from our parish who are preparing for the Sacraments of First Reconciliation & First Communion and their families at the 4:00 P.M. Mass this weekend. As Catholics, we know that the Holy Eucharist is the source and summit of our faith. Pope Francis has called it the "*Sacrament of Love*." For children who are preparing to receive their First Holy Communion, this is a big deal. And for all of us, no matter how many times we have received Our Lord in the Holy Eucharist, it should always be a big deal. First Holy Communion is an exciting event for the whole family. These girls and boys preparing for this sacrament will be profoundly united with Jesus in a way that they never have before!

Please pray for these children and their families as they grow deeper in faith.

V Niedziela Zwykła

Naśladować Chrystusa – to znaczy być zdecydowanym, zaangażowanym i wytrwałym, podczas gdy w świecie, w którym żyjemy, wszystko zdaje się zachęcać do wygodnego życia, do przeciętności i bierności. Ukształtujemy nasze życie na tym, co najsolidniejsze i najpewniejsze, a jednocześnie – zdumieni – zobaczymy, że właśnie tam, gdzie ludzkie środki nie wystarczają, interweniuje Bóg i tam, gdzie po ludzku jest to niemożliwe, rodzi się życie.

Światowy Dzień Chorego

11 lutego po raz kolejny obchodzony będzie Światowy Dzień Chorego. Ustanowił go Jan Paweł II dnia 13 maja 1992 r. Wyzaczył wówczas jego datę na 11 lutego - wspomnienie Matki Bożej z Lourdes.

Pierwszy taki dzień obchodzono właśnie w tym francuskim sanktuarium maryjnym. Na każdy Dzień Chorego Ojciec Święty kieruje orędzie, apelując o podjęcie współpracy pomiędzy narodami biednymi i bogatymi, mającej na celu ochronę zdrowia i życia ludzkiego. W każdym orędziu Ojciec Święty broni życia od poczęcia do naturalnej śmierci.

Sakrament Namaszczenia Chorych będzie udzielany w czasie Mszy św. W naszym kościele w światowy Dzień Chorego 11-go lutego.

Jedzenie dla Potrzebujących

Zima jest ciężka dla wielu ludzi i dlatego zwracamy się do wszystkich o pomoc dla tych którzy są w potrzebie.

Przy wejściach do kościoła są pudła na ten cel abyśmy mogli podzielić się z potrzebującymi. Dziękujemy!

It’s Cold Outside so....

Warm the ‘Insides’ of Those in Need!

Most organizations donate food to those in need ONLY during the Thanksgiving and Christmas holidays. Then, typically after this time, donations to the Food Cupboard drop dramatically! Hunger never ‘takes a holiday’! Help provide the ‘fuel’ for the bodies of those in need with food this winter. **This month the foods most in need are: cereal, dried mashed potatoes and white rice.**

Also needed are Canned Pork and Beans, Baked Beans, Collard Greens, Rice, SOUPS and Hot Cocoa Mix, Tea and Coffee.

Always remember that if EVERYONE (including children) brought in JUST ONE FOOD ITEM each week we would feed hundreds of people.

Ladies' Society Meeting on February 17th

We are going to have a Ladies' Society meeting for the one we canceled in January on Sunday, February 17th, in the auditorium after the 9 a.m. mass. Our speaker is going to be Deacon Bruno Petrauskas. So get your coffee, etc. and come into the Bingo Room to hear about Deacon Bruno's experiences.

In your Christian charity you are asked to remember in your prayers **Chester Skurski**, whom God has called to eternal rest. May he rest in peace, and may the risen Lord strengthen his family at their time of loss.

Happy Valentine's Day!

„Be My Valentine”. This is a phrase that conjures up a lot of different images associated with the celebration of Valentine's Day. Young and old alike are expressing their affection for their sweethearts. February 14th for many means cards, candy, flowers, and cupids. What we call Valentine's Day was at one time the Feast of St. Valentine. It was a day to remember and celebrate the life and death of a Christian martyr, St. Valentine, who was a priest and was willing to risk his life to spread the Good News of Jesus Christ to those who needed to hear it. And St. Valentine demonstrated this love when he died for his friends.
